

# A Vintage Safari

## St. Augustine Academy's Gala Sponsorship Opportunities Saturday, November 18, 2017 – Air Force One Pavilion - Ronald Reagan Presidential Library

### Serengiti – TITLE SPONSOR – \$10,000

American explorer, Stewart Edward White, titled the Serengeti “paradise” when he happened upon it in 1913. St. Augustine Academy educates our young people for this same end – though the *real* paradise, not just a beautiful shadow of it here on earth. Your sponsorship of the Serengeti table underwrites our presence under the wings of Air Force One tonight and helps allow us to guide the students on this safari to the eternal paradise. We all thank you for allowing us to celebrate in this magnificent venue. You and your chosen guests will have front row seating at your premium table for eleven, because one seat is already filled with our very special guest of honor, former Swiss Guard, Mario Enzler! You will also enjoy special bottles of wine, an event gift, center billing in the Gala Program and our everlasting gratitude. On behalf of the entire St. Augustine Academy family, we heartily thank you for sponsoring our 2017 Gala!

### Victoria Falls – EVENT SPONSOR – \$5,000

The awe-inspiring beauty and grandeur of Victoria Falls reminds us of the power of nature. How much more powerful is the power to know – to share in eternal and everlasting knowledge? When we see the awesome things of nature, we are reminded that they are just a small reflection of their awesome Creator. Thank you for inspiring awe in us as your generosity inspires us to pour even more of ourselves into the formation of our students. With this sponsorship you will receive honored placement for a table of twelve, special gifts and prominent billing in our 2017 Gala Program. Thank you for underwriting the costs of our auction, so that all funds can directly benefit students.

### Masai Mara – DECORATION SPONSOR – \$2,500

The Mara, as it is known, is described as the most prolific wildlife real-estate on earth. Talk about decoration! While we cannot decorate with real giraffes or elephants, we still decorate to capture the imagination and to delight. St. Augustine Academy is here to help form such an imagination and to impart what Aristotle says is the purpose of education – to teach one to delight in the things they should delight in, and shun the things they should shun. As the decoration sponsor, you will enjoy up-front placement for your table of twelve, gifts for each table guest and special notice in our Gala Program. Thank you for appreciating our efforts to instill imagination into needy students with your sponsorship.

### Lake Nakuru – FRIENDS SPONSOR – \$2,000

Lake Nakuru is the sight of iconic photos of Africa because of the sweeping grasslands surrounding the lake with the magnificent backdrop of the rocky cliffs in the distance. What is most fascinating about this image, though, is the community of pink flamingos that gather here by the thousands! While we are only hundreds here tonight, sharing the great work of St. Augustine Academy has swelled our friends to over one thousand. Sponsoring a friends table can help us expand that number more! This reserved table for twelve will have priority placement under the nose of Air Force One, and a special notice in the Gala Program. Thank you for introducing more friends to the St. Augustine Academy ideals.
